---

PROJECTS

Jun 2024 — Aug 2024

Personal Website
Danville

- Designed and developed a personal portfolio from scratch using HTML, JavaScript, and CSS to showcase my projects and skills.
- Continuously iterated and improved as I learned new techniques and languages.

Jun 2024 — Aug 2024

JotDown Chrome Extension
Danville

- Developed a lightweight, user-friendly Chrome extension for quick, in-tab note-taking that simplifies the process of saving information while browsing.
- Collaborated with peers and users to gather feedback, iteratively improving the extension's interface and functionality for better usability.
- JotDown has become a go-to tool in my daily routine, used to enhance productivity and keep track of important notes quickly and efficiently.

May 2024 — Aug 2024

WhyKnot Crochet Creations ECommerce Website
Danville

- Designed and launched a functional E-Commerce platform for a small crochet business, facilitating an easy and efficient shopping experience.
- Integrated a shopping cart, product catalog, and user-friendly navigation to streamline the online shopping journey, making it simple for customers to explore and purchase crocheted items.
- Worked closely with the business owner to ensure that the website aligned with brand identity, while also handling backend and currently updating functionalities to process orders.

EMPLOYMENT HISTORY

May 2024

AI Student Collective Marketing Team Member
Riverside

- Collaborated with peers to enhance AI literacy through dynamic events and educational initiatives, significantly increasing engagement and knowledge within the community.
- Devised and implemented innovative marketing strategies that successfully elevated awareness and participation in AI workshops and seminars, leading to a notable boost in attendee numbers.

Mar 2023 — Jun 2023

Swim Instructor , Northwest YMCA
Cupertino

- Taught swimming lessons to diverse age groups, focusing on fundamental skills and safety protocols.
- Adapted teaching styles to accommodate different learning speeds and needs.
- Contributed to a safe, supportive learning environment while fostering a sense of community.

May 2022 — Aug 2022

Internship, Dr. Bharathi Gorthi Dental Clinic
Mountain View

- Dedicated over 15 hours per week assisting with office management and patient interactions in a busy dental clinic.
- Organized digital and physical records, enhancing the clinic's administrative efficiency.
- Provided welcoming and professional customer service for new and returning patients.
